Supplies

All supplies can be purchased
wherever flowers are sold

perennials

- 3 coneflower
- 3 liatris
- 3 yarrow

annuals

- 2 cosmos
- 4 zinnias

1 roll landscape fabric
3 large bags of organic compost
large pointed shovel
small hand trowel
fabric staples
scissors

Directions

Preparing garden spot

- pick a spot in your yard that gets at least 6 hours of sunlight per day
- Measure a 3ft by 12 ft rectangle
- Using the large pointed shovel remove the layer of sod.
- Using the large pointed shovel loosen the soil
- Add the 3 bags of compost and spread out evenly
- Measure out the landscape fabric and lay it down over the prepared soil.
- Pin down every 12 inches along the edges
